Pay Telephones.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the April 22, 1996 request of the South Carolina Public Communications Association (SCPCA) as per its Attorney, John F. Beach, Esquire. Beach requests a one (1) week extension of time to prefile testimony and exhibits of all parties in this Docket. Beach states that he is involved in an arbitration hearing the entire week of April 29th through May 3rd, and this will make it difficult for him to meet his filing deadline.

The Commission has examined this matter, and agrees that Beach's Motion should be granted. The testimony and exhibits of the SCPCA shall be prefiled on or before May 9, 1996. Intervenor, Staff, and all other parties shall prefile testimony and exhibits on or before May 23, 1996. As usual, parties shall serve their pre-filed testimony and exhibits on all other parties of record as required by the Commission's Rules and Regulations.

Please take note that any party requesting modification of

the schedule must file a request for such modification with the Commission.

This Order shall remain in full force and effect until further Order of the Commission.
